

Field Trip Permission Form

The fours and fives will go on several field trips this year. This form will give your permission for your child to go on **all** field trips this school season. We will also send individual forms for each field trip **only** to allow you to sign up to be drivers and to inform you where we are going and what time we will be leaving. If you cannot drive, you will not need to return the individual form. If you do sign up to drive we greatly appreciate it and will see you the morning of the field trip. **Only if we call you personally and tell you that we have too many drivers will we not need you to drive.**

I _____ (parent) give permission

for _____ to go on **all field trips** this school season at Meadow Brook Baptist Preschool.

Please sign and return this form in your child's folder. Thank you very much.
