## From the Director’s Office

Dear Parents,

Our 3, 4, & 5 year olds, met with their families at the annual Thanksgiving Feast on Friday November 16th. They entertained their Moms, Dads, Grandparents, and siblings. We *thank all the teachers and parents* who did a marvelous job in costume preparation and table decorations. I also *thank all the parents* for their help in setting up and cleaning up the Fellowship Hall . Margaret Cox, our music teacher, did a great job with the children preparing a program that reflected our thanks to God and our fun with “Indians, Pilgrims & Turkeys”. Mrs. Nancy Dreher, prepared a delicious meal for both our preschoolers and family members. We are grateful for her contribution to such a successful event. Thank you for helping offset the cost of the food.

The month of December is here. We begin to feel the excitement of the season with the preschoolers. Our goal is to enrich the child’s understanding of the real meaning of Christmas, *the birth of Christ*. We will include some fun times about Santa but not overshadow the real meaning of Christmas.

In His Service,  
Lori

## Important Information-

**CHRISTMAS PROGRAM FOR 3’s, 4’s & 5’s-** *On Wednesday, December 12 at 11:00* our 3,4, & 5’s will present a Christmas program for their parents. *Parents of 3,4 and 5 year olds are invited to come.* It lasts about forty-five minutes. It is a special time as the preschoolers catch a sense of awe that must have been present that night in Bethlehem. (Our younger children will hear the story of Jesus’ birth in their classrooms.)

**GIFT EXCHANGING -** *All classes will participate in Christmas gift exchange.* All classes, except the Babies, will have a party. For gifts, we ask that each preschooler bring a **WRAPPED STORY BOOK** suitable for a boy or a girl and in the cost range of \$5.00. We have learned from experience that books are more suitable than other presents.

**MAKING MEMORIES** - At Christmas time, more than any other time, the secular world creeps into our homes and lives and robs us of the real meaning of Christmas. Our many responsibilities, social events, and shopping often make us wish that this Season would quickly end. How sad that is when this is the time to make memories with our children. Do you recall the childhood memories that you have? Most of them are the simple times you spent with your family. Plan now to spend special time with your preschooler making those simple, wonderful memories that they will carry into their adulthood and share with their children!
